Doyen Gym Wipes: Premium Antibacterial & Disinfectant Wipes

When it comes to gym hygiene, surface cleanliness isn't optional — it's essential. At Doyen, we offer a powerful lineup of antibacterial and disinfectant gym wipes tailored to your facility's needs. Whether you're managing a high-traffic commercial gym or any public place, our **Standard Quality** and **Economy Gym Wipes** deliver consistent performance, reliable sanitation, and budget-smart options.

Why Doyen Gym Wipes Are a Top Choice in the UAE

From treadmills to yoga mats, shared equipment can become a breeding ground for bacteria and sweat buildup. Doyen Gym Wipes are pre-moistened, alcohol-free, and tough on germs — helping your gym stay spotless and your members feel confident.

1. Doyen Standard Quality Gym Wipes

A reliable choice for daily surface maintenance, **Doyen Standard Quality Gym Wipes** provide:

- Consistent antibacterial protection for benches, mats, and machines
- A soft texture safe for both users and gym equipment
- A non-sticky, fast-drying finish — no residue left behind
- 600 wipes per roll for steady use throughout the day

2. Doyen Economy Gym Wipes – Budget-Friendly, High-Volume Sanitation

For larger gyms or high-traffic areas, **Doyen Economy Wipes** offer a cost-effective solution without compromising on cleanliness.

Key features include:

- 1200 wipes per roll — 4 rolls per case
- Alcohol-free & antibacterial formula
- Gentle on hands and safe for all gym equipment
- Efficient dispensing for fast-paced environments

Best Used In:

Doyen Gym Wipes—both Standard Quality and Economy—are ideal for maintaining hygiene and cleanliness in a wide range of environments:

- **Fitness centers and gyms**
- **Yoga & Pilates studios**
- **Community wellness centers**
- **Hotel gyms and private training studios**
- **Schools, universities, and public areas**

Whether you're operating a boutique studio or a large commercial gym, Doyen wipes offer a reliable, antibacterial, and disinfectant cleaning solution to support daily hygiene practices.

Benefits of Using Doyen Gym Wipes

- **Antibacterial Power:** Eliminates bacteria, sweat, and dirt from all surfaces
- **Disinfectant Action:** Keeps shared equipment safe for all users
- **Alcohol-Free & Skin-Safe:** Suitable for frequent contact, even on sensitive skin
- **Fresh Scent:** Light lemon aroma adds a clean and pleasant touch
- **Quick-Drying Formula:** No streaks or sticky finish

Available Formats for All Cleaning Needs

Both Standard and Economy gym wipes are designed for versatile use:

- **Fitness Wipes:** Quick wipe-downs after equipment use
- **Cleaning Wipes:** Full-surface sanitation between workouts
- **Hygiene Wipes:** Maintain cleanliness throughout your facility
- **Equipment Wipes:** Protect and clean gym machinery safely
- **Disinfectant Wipes:** Essential for high-touch, high-risk zones

How to Use Doyen Gym Wipes

1. Pull one wipe from the container or wall-mounted dispenser
2. Wipe down gym surfaces (mats, machines, dumbbells, benches)
3. Let air dry — no need to rinse
4. Dispose of used wipe in the bin (not for flushing)
